ARTIST TRUST ENDURANCE GRANTS

ABOUT ARTIST TRUST

Artist Trust is a 501c3 nonprofit organization dedicated to helping Washington State artists thrive. Recognized as a national model for direct funding and professional development for working artists, we have invested over \$15 million in individual artists since our founding in 1986. We view our mission to support and encourage artists working in all disciplines in Washington State through a lens of racial and geographic equity, actively working to ensure that artists from all backgrounds and Washington State geographies are reached through our services.

ABOUT THE ENDURANCE GRANTS

The Artist Trust (AT) Endurance Grants (END) are unrestricted emergency need-based grants of \$2,500 to artists working in all disciplines across Washington State to assist with an unforeseen emergency, crisis, or catastrophic event. These 40 grants will fund artists who identify with one or more of the following communities: Black, Indigenous, and People of Color (BIPOC) and/or Native, LGBTQIA+, immunocompromised, with immigrant status, have or are living with a disability, residing outside King County, and/or low income.

Funding for this program comes in part from a grant from the CERF+ Artist Readiness Program (CARP) with support from through the Mellon Foundation, our individual donors, and the Artist Trust Board of Trustees.

RACIAL EQUITY BACKGROUND

Artist Trust is a nonprofit organization that helps Washington State artists of all disciplines thrive through direct support, community building, and advocacy. We believe a fair and just society ensures artists of all background and identities are included in its cultural narratives.

ARTIST TRUST RACIAL EQUITY STATEMENT

Artist Trust is committed to becoming an anti-racist organization, and to working against the systems of racism we have inherited, upheld, and perpetuated. We know we are not there yet. Black, Indigenous, and people of color (BIPOC) have been systemically oppressed, and we are committed to partnering with them to eradicate white supremacy throughout our organization and to support historically marginalized artists across Washington State.

Artist Trust recognizes that Black and Indigenous people experience more barriers and less opportunities than other people of color. We use the term BIPOC (Black, Indigenous, and People of Color) to acknowledge this reality.

Read more about our work towards racial equity [here](#).

PANELISTS

Selection panelists are chosen by Artist Trust staff and represent a range of practices, ages, genders, geographies, ethnicities, and stages in their careers. Panelists are kept confidential until the announcement of the awards.
